## 80ft Open Reel

**OLA801114G4SL-US**

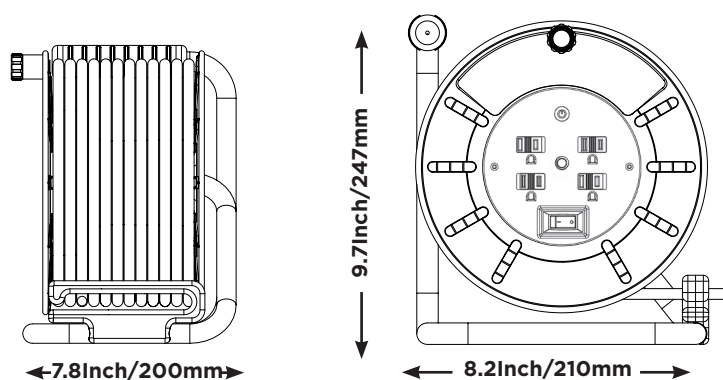

### Features

- » Robust case reel, with four NEMA 5-15 grounded sockets
- » Manual overload reset switch
- » Power on/off switch
- » Power LED indicator

### Description

This larger plastic constructed extension reel has been designed and engineered for efficiency. The drum's construction provides reliable protection when in use, transported or stored. The compact design is perfect for the home, garden and light industrial use. Using 80ft 14/3-Gauge of highly visible green cable, this range of extension reels provides 4 x 125V 11amp sockets, LED indicator, power switch and has a built-in overload and a reset button for extra safety
